Spray Grease

White Lithium

AMSOIL Spray Grease (GSP) effectively reduces friction and wear, keeping components running clean and trouble-free for outstanding performance and long life. It applies quickly and evenly and is ideal for greasing hard-to-reach equipment, including hinges, springs and other common applications.

Performance Features

- Protects against wear and corrosion
- Lubricates moving parts for smooth, squeak-free operation
- Adheres to metal surfaces for long-lasting performance
- Quick, convenient spray gets to hard-to-reach places
- Reduces mess

Applications

• Hinges • Industrial Chains • Latches • Slides • Winches • Overhead Door Tracks • Thrust Bearings • Gears • Cables • Nuts/Bolts • Locks • Guide Rails • Springs • Bushings • Ball Joints • Pivot Points and other external moving parts

Directions

1. Disconnect power source to electrical equipment before spraying.
2. Shake well.
3. Clean area to be lubricated.
4. Spray in light, even coats.
5. Use extension tube for hard-to-reach places.

AMSOIL PRODUCT AVAILABILITY
