AMSOIL Accessory Products

DOMINATOR® Octane Boost maximizes power, reduces engine knock and improves ignition & engine response.

DOMINATOR® Coolant Boost reduces operating temperatures while increasing horsepower & efficiency.

Quickshot® helps clean varnish, gums and insoluble debris in fuel systems, restoring peak performance.

Brake & Parts Cleaner removes oil, grease, brake fluid and other contaminants from auto parts.

Metal Protector disperses water and protects metal surfaces from corrosion.

DOMINATOR® DOT 4 Synthetic Racing Brake Fluid delivers reliable braking performance in racing applications.

AMSOIL The First in Synthetics®

Contact your local full-service AMSOIL Dealer for more information on AMSOIL products or to place an order. You may also order direct by calling AMSOIL INC. at 1-800-956-5695 and providing the referral number listed here.

Racing

Taking the checkered flag requires you to push your race vehicle to the limit. But the intense heat and high rpm of racing creates conditions that can lead to costly breakdowns, ending a race as quickly as a wreck. AMSOIL synthetic lubricants are formulated to withstand the devastating effects of powerful racing vehicles. They help give you a competitive edge on race day.

AMSOIL Synthetic Racing Oils

DOMINATOR® Synthetic Racing Oil

- **Formulated** to withstand the elevated rpm, high temperatures and shock-loading common to racing applications
- **Shear-stable** formulation engineered to provide maximum horsepower without sacrificing engine protection
- **Provides** straight-grade protection in multi-grade formulations

Briggs & Stratton® Synthetic 4T Racing Oil

- **Formulated** by AMSOIL specifically for stock and modified small-displacement air-cooled racing engines used in kart, junior drag, quarter midget and other racing applications
- **Recommended** for any four-stroke, air-cooled competition engine
- **Helps** racers elicit the most horsepower & longest life from their engines

DOMINATOR® Synthetic 2-Stroke Racing Oil

- **Engineered** to address the heat, pressure and friction of race-engineered two-stroke engines
- **Purpose-built** for outstanding film strength and lubricity
- **Anti-friction/anti-scuff** formulation maximizes power and provides exceptional piston protection

Order by Phone 1-800-956-5695 - Give Operator Reference #5983322

AMSOIL Super Shift® Racing Transmission Fluid

- **Delivers** excellent friction reduction and heat resistance for long-lasting clutch plates and transmissions
- **Designed** to provide quick, solid shifts and prevent clutch slipping, helping improve lap times
- **Formulated** for high-horsepower, high-torque conditions

AMSOIL Shock Therapy® Suspension Fluid

- **Controls** friction & heat
- **Limits** shock fade and inconsistent dampening
- **Light #5:** Quick rebounds under extreme temperatures
- **Medium #10:** More dampening and slower rebounds

Ea® Oil & Air Filters

- **Full-synthetic** media stops more contaminants than cellulose filters
- **Deliver** increased efficiency for maximum engine life

AMSOIL also offers Wix® racing filters.

AMSOIL Synthetic Gear Lubes

Severe Gear® EP Synthetic Racing Gear Lube

- **High-viscosity**, extreme-pressure lube engineered for off-road trucks, rock racing, rock crawling, tractor pulling, funny car racing and dragster racing
- **Protects** gears from shock-loading and tire shake, while resisting sling-off from G-forces and high speeds

Severe Gear® EP Synthetic Gear Lube

- **Specifically** engineered for high-demand applications, including trailer towing, heavy hauling and racing
- **Protects** gears and bearings against scoring and wear
- **Resists** elevated heat and remains fluid in cold temperatures

AMSOIL DOMINATOR® Synthetic Racing Grease

- **Protects** wheel bearings and chassis components from intense heat and extreme torque
- **Helps** improve operating efficiency for maximum output

Products the Pros Use

Many other oil companies formulate advanced lubricants available only to the professional racers they sponsor. By their standards, all AMSOIL formulations are advanced. The same products used by AMSOIL-sponsored professional racers are the same products available to you. Here's what some have to say about AMSOIL synthetic lubricants.

"It's not uncommon for us to see engine temps over 300°. There's no other oil I'd trust on race day."

Scott Douglas
11 World Championships

"AMSOIL is the greatest investment to protecting your money-maker. Without AMSOIL products' superior lubrication and protection, our motors wouldn't get us to the winner's circle."

Chad Boespflug
Multi-time USAC National Sprint Car Feature Winner

AMSOIL Engine Builder's Package

From installing the first bearing to crossing the finish line, the AMSOIL Engine Builder's Package helps minimize harmful friction and wear while maximizing torque and horsepower.

STEP ONE: Build it.

AMSOIL Engine Assembly Lube

- **Exceptional** wear protection
- **Designed** to dissolve in oil
- **Clings** well to engine parts

STEP TWO: Break it in.

AMSOIL Break-In Oil

- **No friction** modifiers for quick, efficient ring seating
- **Zinc & phosphorus** provide excellent wear protection
- **Designed** to maximize compression, horsepower & torque

STEP THREE: Race it.

AMSOIL DOMINATOR® Synthetic Racing Oil

- **Formulated** specifically for high-horsepower/ high-torque racing applications
